

# International SEMINAR:

## *“Comprehensive Risk Management in Latin America”*

Globalization, an increased number of large scale disasters, heightened competition, and development and advances in technology mean that organizations have to be better prepared to manage risks more carefully and effectively, in the current environment of extensive and fast-paced change. So ALARYS, with support from the Multilateral Investment Guarantee Agency (MIGA) and the International Finance Corporation (IFC), is holding the event of the year on Comprehensive Risk Management.

**Date:**

August 29 and 30, 2011.

**Venue:**

Auditorium of the International Monetary Fund

**City:**

Washington, D.C., U.S.A.

**Organizer:**

ALARYS, Latin American Risk Management Foundation.
