Covered Risk

3.1 The guarantee against Transfer Restriction shall cover a Loss due to any action or inaction by the Host Government, or pursuant to such action or inaction by the Host Government by entities authorized under the laws of the Host Country to engage in foreign exchange transactions, which prevents, directly or indirectly, both the Guarantee Holder and the Project Enterprise from legally:

- (a) converting into the Guarantee Currency the Local Currency held to make payment of Guaranteed Reimbursement Amounts, including the denial of such conversion in an exchange rate category at least as favorable as that used to determine the Reference Rate of Exchange; or
- (b) transferring outside of the Host Country the Guarantee Currency constituting Guaranteed Reimbursement Amounts;

provided that the Guarantee Holder or the Project Enterprise, or both, as required:

- (x) has during the applicable Waiting Period continuously applied for and failed to convert the Local Currency constituting Guaranteed Reimbursement Amounts, or to transfer the Guarantee Currency constituting Guaranteed Reimbursement Amounts, as the case may be, through all mechanisms permitted in accordance with the relevant laws, regulations and procedures of the Host Country; and
- (y) had on the Effective Date the legal right within the Host Country to convert the Local Currency and transfer the Guarantee Currency that constituted Guaranteed Reimbursement Amounts.

3.2 A Loss due to the deprivation by the Host Government of the use and control of funds constituting Guaranteed Reimbursement Amounts shall only be covered under Subsection 4.1(c).

Compensation

3.3 Subject to Articles 8, 9 and 10, compensation for Transfer Restriction shall be the Percentage of Cover of:

- (a) the Guarantee Currency equivalent of the Local Currency constituting Guaranteed Reimbursement Amounts which could not be converted under Subsection 3.1(a), calculated on the basis of the Reference Rate of Exchange on the Date of Loss; or
- (b) the amount of Guarantee Currency constituting Guaranteed Reimbursement Amounts that could not be transferred under Subsection 3.1(b) as of the Date of Loss.

Filing of Claims

3.4 The Guarantee Holder may file a Claim for Transfer Restriction at any time from the Date of Loss to the date 180 days after the applicable Waiting Period has elapsed. The Guarantee Holder shall submit to MIGA promptly all material evidence available to it from time to time as

may be necessary to support such Claim for Transfer Restriction, including copies of certifications by the Host Government, or other entities authorized to conduct foreign exchange transactions, demonstrating the inability of both the Guarantee Holder and the Project Enterprise to convert the Local Currency constituting Guaranteed Reimbursement Amounts or transfer the Guarantee Currency constituting Guaranteed Reimbursement Amounts, as the case may be, during the applicable Waiting Period.

3.5 A Claim shall be deemed by MIGA to be complete when MIGA is reasonably satisfied that it has received all material evidence required to determine the Guarantee Holder's right to compensation under the Contract. MIGA shall make a determination with respect to such Claim in accordance with Section 10.1.

Transfer and Assignment

3.6 Prior to or simultaneously with payment of compensation for a Loss, the Guarantee Holder shall or shall cause the Project Enterprise to:

- (a) deliver to MIGA in the Host Country in cash (or, at MIGA's option, by draft subject to collection) the Percentage of Cover of the Local Currency or Guarantee Currency constituting Guaranteed Reimbursement Amounts which could not be converted or transferred under Section 3.1; or
- (b) at MIGA's option, assign and transfer to and for the benefit of MIGA the Percentage of Cover of all the Project Enterprise's and the Guarantee Holder's right, title and interest, including all rights to security associated therewith, in such Local Currency or Guarantee Currency constituting Guaranteed Reimbursement Amounts;

provided that:

- (x) any such delivery or assignment to MIGA shall be made free and clear of any claim, defense, counterclaim, right of set off, liens, security interests, or other encumbrances; and
- (y) in cases where the Guarantee Holder itself has insufficient Local Currency, the Guarantee Holder may, local laws permitting, supplement the Local Currency to be transferred and assigned to MIGA from Local Currency payments made by the Project Enterprise, a guarantor or from any other source, so that the amount of compensation payable in the Guarantee Currency by MIGA is equal to the Percentage of Cover of the Guaranteed Reimbursement Amounts at the Reference Rate of Exchange in accordance with Subsection 3.3(a).

ARTICLE 4. EXPROPRIATION

Covered Risk

4.1 The guarantee against Expropriation shall cover a Loss due to any direct or indirect action or inaction, in one or a series of events, attributable to the Host Government which:

- (a) (i) interferes with the ownership or control of all or a substantial part of the Project Enterprise, or otherwise deprives the Project Enterprise of a substantial benefit

constituting a fundamental right essential to the overall financial viability of the Investment Project; and (ii) results in the Guarantee Holder not receiving payment from the Project Enterprise of Guaranteed Reimbursement Amounts when due;

- (b) deprives the Guarantee Holder of its material rights in respect of Guaranteed Reimbursement Amounts and, as a consequence thereof, the Guarantee Holder does not receive payment of any such Guaranteed Reimbursement Amounts when due;
- (c) deprives the Guarantee Holder or the Project Enterprise, as applicable, of the use and control of any funds constituting Guaranteed Reimbursement Amounts; or
- (d) deprives the Guarantee Holder of its material rights as a creditor against any collateral security or commercial guarantees of repayment obtained on account of a Loan Guarantee Payment that has been made as a consequence of a default under the Loan Agreement for commercial reasons rather than as a consequence of a Covered Risk;

provided that such Loss continues for the duration of the applicable Waiting Period.

4.2 No measure shall constitute an Expropriation under Section 4.1 above if it constitutes a bona fide, non-discriminatory measure of general application that governments normally take for the purpose of regulating economic activity, ensuring public safety, raising revenues or protecting the environment, unless the measure is designed by the Host Government to have a confiscatory effect.

4.3 A Loss due to a breach by the Host Government of its obligations under any agreement between or among the Host Government and any Lender, the Guarantee Holder, and/or the Project Enterprise, where the Host Government is acting in a commercial capacity shall not constitute an Expropriation under Section 4.1 above.

Compensation

4.4 Subject to Articles 8, 9 and 10, compensation for Expropriation shall be the Percentage of Cover of the due but unpaid Guaranteed Reimbursement Amounts, calculated as of the Date of Loss. With respect to a Covered Risk of the type described in Subsection 4.1(d), such amount shall not exceed the realizable value of the collateral security or commercial guarantees as of the Date of Loss.

Filing of Claims

4.5 The Guarantee Holder may file a Claim for Expropriation at any time from the Date of Loss to the date 180 days after the applicable Waiting Period has elapsed. The Guarantee Holder shall submit to MIGA promptly all material evidence available to it from time to time as may be necessary to support such Claim for Expropriation, including: (a) the cause of the failure to receive payment from the Project Enterprise of Guaranteed Reimbursement Amounts; and (b) the actions or inactions of the Host Government constituting the Expropriation.

4.6 A Claim shall be deemed by MIGA to be complete when MIGA is reasonably satisfied that it has received all material evidence required to determine the Guarantee Holder's right to compensation under the Contract. MIGA shall make a determination with respect to such Claim in accordance with Section 10.1.

Transfer and Assignment

4.7 Prior to or simultaneously with payment of compensation for a Loss, the Guarantee Holder shall in accordance with MIGA's instructions assign and transfer to and for the benefit of MIGA, free and clear of any claim, defense, counterclaim, right of set off, liens or other encumbrances, the Percentage of Cover of the Guarantee Holder's right, title and interest, including all rights to security associated therewith, in the Guaranteed Reimbursement Amounts for which compensation is to be paid.

ARTICLE 5. WAR AND CIVIL DISTURBANCE

Covered Risk

5.1 The guarantee against War and Civil Disturbance shall cover a Loss due to a failure to receive payment from the Project Enterprise of Guaranteed Reimbursement Amounts that is a direct and immediate result of:

- (a) the destruction or disappearance of, or physical damage to, tangible assets (other than precious metals, gems, works of art, money or documents) in the Host Country which constitute the Investment Project; or
- (b) the total inability of the Project Enterprise to conduct operations essential to its overall financial viability as a going concern during the applicable Waiting Period;

provided that:

- (x) the Loss is a direct and immediate result of acts of war, revolution, insurrection, civil war, civil commotion, or acts of terrorism or sabotage carried out, in each case, with the primary intent of achieving a political objective in the Host Country; and
- (y) the Loss continues for the duration of the applicable Waiting Period.

Compensation

5.2 Subject to Articles 8, 9 and 10, compensation for War and Civil Disturbance shall be the Percentage of Cover of the due but unpaid Guaranteed Reimbursement Amounts as of the Date of Loss.

Filing of Claims

5.3 The Guarantee Holder may file a Claim for War and Civil Disturbance at any time from the Date of Loss to the date 180 days after the applicable Waiting Period has elapsed. The Guarantee Holder shall submit to MIGA promptly all material evidence available to it from time to time as may be necessary to support such Claim for War and Civil Disturbance, including: (a) evidence concerning the cause of the failure to receive payment from the Project Enterprise of Guaranteed Reimbursement Amounts; (b) copies of inventories and audited book entries concerning the assets destroyed, damaged or that have disappeared, in the case of Subsection 5.1(a); and (c) all material evidence related to events preventing the Project Enterprise from carrying out viable business operations in the case of Subsection 5.1(b).

5.4 A Claim shall be deemed by MIGA to be complete when MIGA is reasonably satisfied that it has received all material evidence required to determine the Guarantee Holder's right to compensation under the Contract. MIGA shall make a determination with respect to such Claim in accordance with Section 10.1.

Transfer and Assignment

5.5 Prior to or simultaneously with payment of compensation for a Loss, the Guarantee Holder shall, or shall cause the Project Enterprise to, assign and transfer to and for the benefit of MIGA, free and clear of any claim, defense, counterclaim, right of set off, liens or other encumbrances, the Percentage of Cover of the Guarantee Holder's right, title and interest, including all rights to security associated therewith, in the Guaranteed Reimbursement Amounts for which compensation is to be paid.

ARTICLE 6. BREACH OF CONTRACT

Covered Risk

6.1 The guarantee against Breach of Contract shall cover a Loss resulting from a default by the Project Enterprise in making payment to the Guarantee Holder of Guaranteed Reimbursement Amounts that is attributable to the inability of the Guarantee Holder or the Project Enterprise to enforce an Award rendered in its favor against the Host Government, provided that:

- (a) the Award in respect of such Loss is for a specified monetary amount and has been rendered pursuant to a breach of a Contractual Obligation in a Project Agreement, or repudiation of such Project Agreement by the Host Government, and such Award clearly states that such breach or repudiation by the Host Government was the cause of the Loss; and
- (b) the Guarantee Holder and/or the Project Enterprise, as applicable, have made all reasonable efforts to exhaust available remedies to enforce the Award against the Host Government during the applicable Waiting Period from the date of the Award.

Provisional Payment

6.2 Prior to payment of compensation for a Loss under Section 6.3 below, MIGA may in its sole discretion agree to make one or more Provisional Payments (normally corresponding to due but unpaid Guaranteed Reimbursement Amounts and in an aggregate amount not to exceed 50 percent of the Amount of Guarantee) provided that:

- (a) the Guarantee Holder and the Project Enterprise, as applicable, have not been able to obtain an Award within a period of 180 consecutive days from initiating arbitral or judicial proceedings against the Host Government for such breach of a Contractual Obligation in a Project Agreement, or repudiation of such Project Agreement, and the Guarantee Holder has made a written request for Provisional Payments after such time period has elapsed;
- (b) the merits of the Guarantee Holder's claim have been determined through binding recourse to an independent expert in accordance with the procedures specified in Annex 5 to the Contract; and

- (c) the Guarantee Holder has provided MIGA with an irrevocable financial guarantee, in a form and from a guarantor acceptable to MIGA, to repay MIGA on demand the Provisional Payments as follows:
- (i) if the Award is rendered against the Guarantee Holder or the Project Enterprise or both, the Provisional Payments shall be repaid in full; or
 - (ii) if the Award is rendered in favor of the Guarantee Holder or the Project Enterprise or both, but the awarded amount is less than the Provisional Payments, the Provisional Payments shall be repaid in part in the amount of such shortfall; or
 - (iii) if the Guarantee Holder or the Project Enterprise receives compensation from the Host Government based on the Award, the Provisional Payments shall be repaid in the amount of such compensation received; and

in each case, plus Interest at LIBOR plus 1 percent, calculated for the period from the date MIGA makes the respective Provisional Payment until the date the Award is rendered, or the date when the Guarantee Holder or the Project Enterprise receives compensation from the Host Government, as applicable.

Compensation

6.3 Subject to Articles 8, 9 and 10, compensation for Breach of Contract shall be: (a) the Percentage of Cover in Guarantee Currency, calculated as of the Date of Loss, of the lesser of: (i) the amount of the Award owed to the Guarantee Holder (or, in the case of an Award in favor of the Project Enterprise, the Guarantee Holder's pro rata interest therein) and (ii) the due but unpaid Guaranteed Reimbursement Amounts; less (b) the amount of any Provisional Payment that has been made.

Filing of Claims

6.4 The Guarantee Holder may file a Claim for Breach of Contract at any time from the Date of Loss to the date 180 days after the applicable Waiting Period has elapsed. The Guarantee Holder shall submit to MIGA promptly all material evidence available to it from time to time as may be necessary to support such Claim for Breach of Contract, including evidence concerning the cause of the failure to receive payment from the Project Enterprise of Guaranteed Reimbursement Amounts and a certified copy of the Award.

6.5 A Claim shall be deemed by MIGA to be complete when MIGA is reasonably satisfied that it has received all material evidence required to determine the Guarantee Holder's right to compensation under the Contract. MIGA shall make a determination with respect to such Claim in accordance with Section 10.1.

Transfer and Assignment

6.6 Prior to or simultaneously with payment of compensation for a Loss, the Guarantee Holder shall or shall cause the Project Enterprise to assign and transfer to and for the benefit of MIGA, free and clear of any claim, defense, counterclaim, right of set off, liens or other encumbrances, the Percentage of Cover of the Guarantee Holder's interest in the rights and

causes of action under the Award or, in the case of an Award in favor of the Project Enterprise, the Guarantee Holder's pro rata interest therein.

ARTICLE 7. PERCENTAGE OF SELF-INSURANCE

7.1 Throughout the Guarantee Period, the Guarantee Holder shall bear for its own account at least the Percentage of Self-Insurance of each potential Loss.

ARTICLE 8. DEDUCTIONS AND ADJUSTMENTS

8.1 MIGA shall:

- (a) deduct from any compensation due under the Contract, the Guarantee Holder's share of any other compensation or benefit received or due to be received by or for the benefit of the Guarantee Holder, or the Project Enterprise, from any source, including the ratable portion of the Loss payable by any other insurer or guarantor, as a result of the Covered Risks which caused the Loss for which MIGA is liable to pay compensation;
- (b) only be liable to pay Guaranteed Reimbursement Amounts: (i) no sooner than each corresponding Scheduled Payment is originally scheduled to be due in accordance with the Payment Schedule, irrespective of whether Scheduled Payments on the Loan have been accelerated or any Loan Guarantee Payments have been made with respect to such accelerated amounts; and (ii) if the Guarantee Holder shall have complied with all terms and conditions of the Contract, including paying the Premium and Standby Option Fee, with respect to the corresponding Contract Period within which the Date of Loss falls; and
- (c) notwithstanding Subsection 8.1(b) above, have the option, in its sole discretion and at any time, to prepay the Guarantee Holder by paying: (i) the Percentage of Cover of the amount of outstanding principal of the Loan in respect of which the Guarantee Holder has made payment pursuant to the Loan Guarantee Agreement and which is guaranteed hereunder, plus (ii) the Percentage of Cover of all corresponding accrued and unpaid Scheduled Payments of interest which relate to the outstanding principal referred to in this Subsection 8.1(c)(i) that were due on Scheduled Payment Due Dates occurring on or prior to the date of such prepayment by MIGA, but in no event exceeding the Amount of Guarantee. Any such prepayment shall be conditional upon the simultaneous payment by the Guarantee Holder to MIGA of the amount of Premium payable over the corresponding balance of the Guarantee Period, calculated based on the Payment Schedule (assuming that Scheduled Payments are paid when due and, with respect to variable rate interest, there is no change in interest rates).

8.2 Amounts of compensation determined to be payable by MIGA for any Loss:

- (a) shall in no event exceed the Amount of Guarantee during the relevant Contract Period;

- (b) shall be reduced, before application of any other reduction or adjustment, by any Deductible amount that may be specified under Clause 15 of the Special Conditions;
- (c) shall not include interest accruing at a penalty or default rate (including such interest payable in connection with any political risk event), mandatory prepayments of principal, acceleration of principal, make-whole premiums, break-funding costs, voluntary prepayments of principal, interest rate swaps and other derivatives transactions associated with the Loan Agreement or the Loan Guarantee Agreement, payments with respect to withholding taxes and other taxes, increased costs provisions, unpaid fees, costs and expenses, or any other amounts (other than Guaranteed Reimbursement Amounts), irrespective of whether such amounts are guaranteed under the Loan Guarantee Agreement;
- (d) shall not include any interest accruing on any Scheduled Payment after the Scheduled Payment Due Date, irrespective of whether such amounts are payable under the Loan Agreement, guaranteed under the Loan Guarantee Agreement, or paid as a Loan Guarantee Payment; and
- (e) shall be subject to adjustment if the Guarantee Holder has made or guaranteed loans to the Project Enterprise (other than loans payable in Local Currency) which MIGA has not guaranteed, and the Project Enterprise has, after the Loan Guarantee Payment Date that is the basis of the Claim, paid a greater percentage of the aggregate amount of the corresponding portions of such unguaranteed obligations than of the Guaranteed Reimbursement Amounts.

8.3 Subject to Section 8.2 above, in application of the condition of average, if there is an increase in the Loan Guarantee Amount over and above the Amount of Guarantee and such amounts are not guaranteed by MIGA at the time of the Loss, the Guarantee Holder shall only be entitled to recover such compensation hereunder for such proportion of any Loss as the Amount of Guarantee bears to the Loan Guarantee Amount.

ARTICLE 9. EXCLUSIONS

- 9.1 MIGA shall in no case be liable for any Loss which is due to:
- (a) the application of any law, decree or regulation in force in the Host Country as of the Effective Date or any action or inaction of the Host Government, or any other event occurring prior to the Effective Date;
 - (b) Corrupt Practices, Fraudulent Practices, Coercive Practices, Collusive Practices, Money Laundering, or violations of any bona fide non-discriminatory laws or regulations of general application not designed by the Host Government to have a confiscatory effect, in each case attributable to the Guarantee Holder or the Project Enterprise in connection with the Investment Project;
 - (c) the non-compliance by the Guarantee Holder or the Project Enterprise with the Performance Standards and Environmental Guidelines that were in effect on the Effective Date in connection with the Investment Project;

- (d) the breach by the Project Enterprise or the Guarantee Holder in any material respect of its obligations toward or assurances given to the Host Country in connection with the Investment Project; or
- (e) any action or inaction of the Host Government that was agreed to by the Guarantee Holder or the Project Enterprise in connection with the Investment Project.

ARTICLE 10. CLAIMS DETERMINATION AND PAYMENT

10.1 A Claim shall demonstrate to MIGA's reasonable satisfaction the Guarantee Holder's right to compensation under the Contract. MIGA shall determine its liability to pay compensation for a Loss, and shall notify the Guarantee Holder of such determination, no later than 30 days from the later of:

- (a) the end of the applicable Waiting Period for each Covered Risk; and
- (b) the date that MIGA deems the Guarantee Holder's Claim to be complete.

10.2 MIGA shall pay compensation for a Loss within 30 days from the date it determines that it is liable to pay a Claim. MIGA shall pay Interest at LIBOR on any amount of compensation determined to be due but not paid at the end of such 30-day period, such liability being in lieu of any other liability as a result of such late payment.

10.3 MIGA shall have no liability for any Claim filed by the Guarantee Holder after 180 days from the end of the applicable Waiting Period for each Covered Risk.

ARTICLE 11. SUBROGATION

11.1 Upon payment of compensation by MIGA, MIGA immediately shall be fully subrogated, up to the amount of compensation paid by MIGA, to all claims, causes of action, recoveries and other rights the Guarantee Holder has against the Host Government, the Project Enterprise or any obligor in respect of the Covered Risk causing the Loss, and the Guarantee Holder shall take no action whatsoever to prejudice MIGA's rights of subrogation. Nothing in the Contract shall in any way be deemed to be a waiver of, or otherwise affect, any independent right of MIGA to effect salvage or other recoveries immediately under the Contract (without any obligation to share the proceeds thereof), through agreements between MIGA and the Host Government or any obligor.

ARTICLE 12. DUTIES OF GUARANTEE HOLDER

12.1 During the Guarantee Period, and during any period after the Guarantee Period in which the Guarantee Holder has a pending Claim, the Guarantee Holder shall, and shall cause the Project Enterprise to:

- (a) maintain and preserve: (i) audited accounts in accordance with International Accounting Standards; and (ii) any other material information relating to the Loan Guarantee Agreement, the Loan Agreement and the Investment Project;

- (b) promptly furnish MIGA with such accounts and information as MIGA may reasonably request from time to time and permit MIGA's duly authorized representatives to examine and make copies of audits, accounts, books, financial statements and any other material information relating to the Loan Guarantee Agreement, the Loan Agreement and the Investment Project whenever required or wherever located; and
- (c) within 30 days of such request, submit all material evidence reasonably available to it as MIGA may reasonably request from time to time to evaluate and process a Claim.

12.2 The Guarantee Holder covenants that it shall, and shall cause the Project Enterprise to:

- (a) comply with and abide by all laws and regulations of the Host Country in implementing the Investment Project, including environmental laws and regulations and those that protect core labor standards;
- (b) operate the Investment Project in compliance with the requirements of the Performance Standards and Environmental Guidelines;
- (c) refrain from, in connection with the Investment Project, engaging in Corrupt Practices, Fraudulent Practices, Coercive Practices, Collusive Practices, Obstructive Practices or Money Laundering;
- (d) immediately notify MIGA in writing upon learning of any event or circumstance that could cause, or materially increase the likelihood of, a Loss and any defaults (regardless of cause) on a Scheduled Payment or a Guaranteed Reimbursement Amount;
- (e) use all reasonable efforts to preserve and protect the Investment Project and take all measures, including such administrative, judicial, arbitral or other available remedies, to avert or, if a Covered Risk giving rise to a Loss occurs, minimize a potential Loss;
- (f) permit MIGA, or any authorized representative of MIGA, to examine the Investment Project;
- (g) waive no right, claim, cause of action or other remedy or accept any offer of compensation in respect of any Loss;
- (h) at MIGA's reasonable expense, cooperate fully with MIGA, and cause the Project Enterprise to cooperate, to the extent possible, in the administration, preservation and protection of assets acquired by MIGA, and in the prosecution of any rights, claims, causes of action and other interests obtained by MIGA, pursuant to Article 11; and
- (i) allow MIGA to conduct environmental and developmental monitoring of the Investment Project and the Project Enterprise, at MIGA's request.

12.3 The Guarantee Holder shall, throughout the Guarantee Period, remain eligible to receive coverage from MIGA in accordance with the Convention.

- 12.4 The Guarantee Holder shall not without the prior written consent of MIGA:
- (a) assign, transfer, or encumber any right under the Contract; or
 - (b) amend, modify, supplement or waive any material rights or obligations with respect to the Loan Guarantee Agreement, the Loan Agreement, the Project Agreements or an Award, or transfer or assign any rights under the Loan, the Loan Agreement, the Loan Guarantee Agreement, the Project Agreements or an Award.

ARTICLE 13. CONDITIONS FOR TERMINATION

13.1 Except as provided for under Sections 13.2, 13.3, 13.4, 13.5, 13.6 and 13.7, the Contract shall terminate at 11:59 PM, Washington, D.C. time, on the last day of the Guarantee Period. The rights and obligations under the Contract shall, however, extend to cover: (a) events of Loss commencing before the end of the Guarantee Period if the Date of Loss occurred during the Guarantee Period, even if a Claim is made after the Guarantee Period; and (b) with respect to Breach of Contract coverage under Article 6 of this Contract, events of Loss where the legal or arbitral proceedings leading to an Award are commenced before the end of the Guarantee Period but the Award is rendered after the Guarantee Period and a Claim is therefore made after the Guarantee Period, provided that the Claim is filed in writing with MIGA within a period of 18 months from the last day of the Guarantee Period.

Termination by Guarantee Holder

13.2 The Guarantee Holder may terminate the Contract on any anniversary of the Effective Date by submitting to MIGA a Notice of Termination at least 30 days prior to such anniversary of the Effective Date.

13.3 If there is any termination of the Contract by the Guarantee Holder during the first three years of the Guarantee Period, the Guarantee Holder shall pay to MIGA 50 percent of the total Premium and Standby Option Fee, based on the Amount of Guarantee, that the Guarantee Holder would otherwise have paid during the remaining Contract Periods falling within the first three years of the Contract, had it not been for such termination. This payment shall not apply in cases of sale or assignment of the Guarantee Holder's rights under the Loan Guarantee Agreement to an unrelated third party.

13.4 MIGA shall not be liable to return to the Guarantee Holder any amount of the Premium and Standby Option Fee previously paid to MIGA if the Guarantee Holder terminates the Contract at any time during the Contract Period.

Termination by MIGA

13.5 MIGA may terminate the Contract, without any further obligation under the Contract, effective as of the date specified in the Notice of Termination if:

- (a) the Guarantee Holder's warranty with respect to information material to a Covered Risk, including information contained in the Application for Guarantee, proves to be untrue in any material respect or the Guarantee Holder intentionally omits to provide such material information;

- (b) the Guarantee Holder violates the confidentiality provisions of Subsection 16.2(a) without MIGA's prior written consent; or
- (c) the Guarantee Holder is in non-compliance with any other responsibility or obligation specified under the Contract, other than for a default for non-payment of Premiums and Standby Option Fees under Section 13.6.

13.6 If the Guarantee Holder fails to pay the full amount of the total Premium and Standby Option Fees (including any Interest thereon) on the applicable Premium Due Date, and such failure continues for a period of 30 days after written notice to the Guarantee Holder of such nonpayment, MIGA may by Notice of Termination terminate the Contract as of 12:01 AM retroactively to the first day of the Contract Period for which Premium or Standby Option Fee have not been paid, it being agreed that MIGA shall have no liability to pay compensation for a Loss arising during any period in which any Premium or Standby Option Fee then due and payable remains unpaid.

13.7 MIGA shall have the right to terminate the Contract, without any further obligation, effective on the date of MIGA's Notice of Termination, if at any time as reasonably determined by MIGA, the Guarantee Holder or the Project Enterprise, as applicable, is:

- (a) in material violation of the laws and regulations of the Host Country with respect to the Loan Guarantee Agreement, the Loan Agreement or the Investment Project;
- (b) in material violation of the Performance Standards and Environmental Guidelines in connection with the Investment Project;
- (c) engaging in Money Laundering in connection with the Investment Project; or
- (d) engaging in Corrupt Practices, Fraudulent Practices, Coercive Practices, Collusive Practices or Obstructive Practices in connection with the Investment Project;

provided, however, that MIGA may grant, at its sole discretion, a reasonable period of time to cure the foregoing situations.

ARTICLE 14. DISPUTE RESOLUTION AND APPLICABLE LAW

14.1 Any dispute between the Guarantee Holder and MIGA arising out of or in connection with the Contract shall be settled by final and binding arbitration in accordance with the Rules of Arbitration.

14.2 The arbitral tribunal constituted under the Rules of Arbitration shall apply the Contract, the Convention and, to the extent that issues in dispute are not covered by the Contract or the Convention, the arbitral tribunal shall apply general principles of law. The arbitration shall be conducted in Brussels, Belgium and the language of the arbitration shall be English.

14.3 The award of the arbitral tribunal shall be final and binding and shall be carried out without delay.

ARTICLE 15. COVERAGE ADJUSTMENTS AND PREMIUM PAYMENTS

15.1 The Amount of Guarantee shall be reduced for the remainder of the Guarantee Period by:

- (a) the amount of compensation paid on any Claim;
- (b) the Percentage of Cover of the amount of each repayment of principal of the Loan specified in Annex 2 (or if the Loan Guarantee Amount applies to less than all of the Loan, a pro rata portion thereof); and
- (c) the amount of any additional reduction irrevocably elected by the Guarantee Holder by delivery to MIGA not less than 30 days before the first day of any Contract Period of a notice in the form of Annex 6A to the Contract; provided, however, that such election may not reduce the Amount of Guarantee to below the Percentage of Cover of the Loan Guarantee Amount on the first day of such Contract Period specified in Annex 2, and provided, further, that in the case of any reduction elected under this subsection (c), a revised Special Conditions will be issued.

15.2 Where the Loan Guarantee Amount is increased, so long as no Covered Risk giving rise to a Loss has occurred, the Guarantee Holder may, by delivery to MIGA not less than 30 days before the first day of any Contract Period of a notice in the form of Annex 6B to the Contract, irrevocably elect to increase the Amount of Guarantee for such Contract Period and the remainder of the Guarantee Period by moving amounts from the Standby Option (Part IV of the Contract).

15.3 The Guarantee Holder shall pay to MIGA: (a) the Premium and Standby Option Fee due on each Premium Due Date; and (b) with respect to any amount thereof not paid on the Premium Due Date, such amount plus Interest thereon at LIBOR plus 3 percent.

- 16.2 (a) The Guarantee Holder shall not, without MIGA's prior written consent, at any time disclose any terms or conditions of the Contract, or any information made available by MIGA to the Guarantee Holder with respect thereto and designated as confidential, to any third party, other than government regulators in the country of the Guarantee Holder and the Guarantee Holder's lawyers, auditors, accountants, financial advisors, syndicate and prospective lenders and rating agencies.
- (b) Disclosure of the Contract to government regulators of the Host Country, unless required by enforcement of a law or regulation, will require MIGA's prior written consent, such consent not to be unreasonably withheld.

Notwithstanding the foregoing, in accordance with the policies specified in the Operational Regulations, MIGA may disclose certain information, including: (i) summary information relating to the Investment Project, including name and country of Guarantee Holder, the Host Country, the Loan, the Loan Agreement, the Loan Guarantee Agreement, the Amount of Guarantee and the Covered Risks for purposes of MIGA's annual and quarterly reports; and (ii) any environmental impact assessment reports provided to MIGA with respect to the Investment Project.

Amendments and Waivers

16.3 No provision of the Contract may be amended, modified, supplemented, or waived except in a written agreement executed by authorized representatives of the Guarantee Holder and MIGA.

16.4 Without prejudice to Article 34 of the Arbitration Rules, neither MIGA nor the Guarantee Holder shall be deemed to have waived any of its rights under the Contract, unless expressly so stated in a notice by the party waiving such right to the other party.

Annex 1 – MIGA’s Anti-Corruption Guidelines

(as in effect on October 15, 2006)

The purpose of these Guidelines is to clarify the meaning of the terms “Corrupt Practices”, “Fraudulent Practices”, “Coercive Practices”, “Collusive Practices” and “Obstructive Practices” in the context of MIGA operations.

CORRUPT PRACTICES

A “Corrupt Practice” is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another person.

Interpretation

1. Corrupt Practices are understood as kickbacks and bribery. The conduct in question must involve the use of improper means (such as bribery) to violate or derogate a duty owed by the recipient in order for the payor to obtain an undue advantage or to avoid an obligation. Antitrust, securities and other violations of law that are not of this nature are excluded from the definition of Corrupt Practices.
2. It is acknowledged that foreign investment agreements, concessions and other types of contracts commonly require investors to make contributions for bona fide social development purposes or to provide funding for infrastructure unrelated to the project. Similarly, investors are often required or expected to make contributions to bona fide local charities. These practices are not viewed as Corrupt Practices for purposes of these definitions, so long as they are permitted under local law and fully disclosed in the payor’s books and records. Similarly, an investor will not be held liable for Corrupt or Fraudulent Practices committed by entities that administer bona fide social development funds or charitable contributions.
3. In the context of conduct between private parties, the offering, giving, receiving or soliciting of corporate hospitality and gifts that are customary by internationally-accepted industry standards shall not constitute Corrupt Practices unless the action violates applicable law.
4. Payment by private sector persons of the reasonable travel and entertainment expenses of public officials that are consistent with existing practice under relevant law and international conventions will not be viewed as Corrupt Practices.
5. The World Bank Group does not condone facilitation payments. For the purposes of implementation, the interpretation of “Corrupt Practices” relating to facilitation payments will take into account relevant law and international conventions pertaining to corruption.

FRAUDULENT PRACTICES

A “Fraudulent Practice” is any action or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a person to obtain a financial benefit or to avoid an obligation.

Interpretation

1. An action, omission, or misrepresentation will be regarded as made recklessly if it is made with reckless indifference as to whether it is true or false. Mere inaccuracy in such information, committed through simple negligence, is not enough to constitute a “Fraudulent Practice” for purposes of World Bank Group sanctions.
2. Fraudulent Practices are intended to cover actions or omissions that are directed to or against a World Bank Group entity. It also covers Fraudulent Practices directed to or against a World Bank Group member country in connection with the award or implementation of a government contract or concession in a project financed by the World Bank Group. Frauds on other third parties are not condoned but are not specifically sanctioned in IFC¹, MIGA, or PRG² operations. Similarly, other illegal behavior is not condoned, but will not be sanctioned as a Fraudulent Practice under the World Bank sanctions program as applicable to IFC, MIGA and PRG operations.

COERCIVE PRACTICES

A “Coercive Practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any person or the property of a person to influence improperly the actions of a person.

Interpretation

1. Coercive Practices are actions undertaken for the purpose of bid rigging or in connection with public procurement or government contracting or in furtherance of a Corrupt Practice or a Fraudulent Practice.
2. Coercive Practices are threatened or actual illegal actions such as personal injury or abduction, damage to property, or injury to legally recognizable interests, in order to obtain an undue advantage or to avoid an obligation. It is not intended to cover hard bargaining, the exercise of legal or contractual remedies or litigation.

COLLUSIVE PRACTICES

A “Collusive Practice” is an arrangement between two or more persons designed to achieve an improper purpose, including to influence improperly the actions of another persons.

¹ “IFC” means the International Finance Corporation, a member of the World Bank Group.

² “PRG” means the Partial Risk Guarantee operations conducted by the Project Finance Group of the International Bank for Reconstruction and Development.

Interpretation

Collusive Practices are actions undertaken for the purpose of bid rigging or in connection with public procurement or government contracting or in furtherance of a Corrupt Practice or a Fraudulent Practice.

OBSTRUCTIVE PRACTICES

An “Obstructive Practice” is: (a) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making of false statements to investigators, in order to materially impede a World Bank Group investigation into allegations of a Corrupt, Fraudulent, Coercive or Collusive Practice, and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or (b) acts intended to materially impede MIGA’s access to contractually required information in connection with a World Bank Group investigation into allegations of a Corrupt, Fraudulent, Coercive or Collusive Practice.

Interpretation

Any action legally or otherwise properly taken by a person to maintain or preserve its regulatory, legal or constitutional rights such as the attorney-client privilege, regardless of whether such action had the effect of impeding an investigation, does not constitute an Obstructive Practice.

General Interpretation

A person should not be liable for actions taken by unrelated third parties unless the first party participated in the prohibited act in question.

Annex 2 – Payment Schedule

All capitalized terms used in this Annex 2 and not otherwise defined shall have their respective meanings specified in the Loan Agreement.

Specified below under the columns headed "Principal Payment" and "Interest Payment" are the Scheduled Payments with respect to the Loan Agreement evidencing the payments guaranteed under the Loan Guarantee Agreement in the amounts (or, with respect to variable rate interest, based on the rates) due on each Scheduled Payment Due Date, in Guarantee Currency:

1. The Guarantee Holder may submit a request for payment of a Provisional Payment to MIGA pursuant to Section 6.2 of the General Conditions any time after initiating arbitral or judicial proceedings against the Host Government.
2. An expert shall be appointed by the International Center for Expertise of the International Chamber of Commerce (ICC), at the request of the Guarantee Holder, and in accordance with the ICC Rules for Expertise in force at the time of submission to MIGA of a request for a Provisional Payment.
3. The expert will promptly evaluate the merits of the Guarantee Holder's claim. The findings of the expert shall be final and shall only be rendered for the purpose of assessing MIGA's obligation to pay a Provisional Payment to the Guarantee Holder. These findings shall not have the character of an Award.
4. If so established by the expert, within 60 days from the date of receipt of the findings made by the expert, MIGA shall pay a Provisional Payment to the Guarantee Holder in an amount specified in accordance with Section 6.2, provided that the Guarantee Holder has complied with its obligations under Section 6.2.
5. Pursuant to Section 6.2, the amount of the Provisional Payment shall be a percentage of the amount which may be owed to the Guarantee Holder or the Project Enterprise, subject to compliance by the Guarantee Holder of the requirements specified in Subsection 6.2(c).
